THE DAILY CLARION.

[For the Campaign.]

Jackson, Mississippi, Thursday, October 21, 1875.

[Price, Five Cents.]

PLATFORM —OF THE— Democratic-Conservative Party —OF THE— STATE OF MISSISSIPPI.

ADOPTED IN CONVENTION, AUG. 3, 1875.

The Democratic and Conservative people of the State of Mississippi in Convention assembled, invoking the blessing of Almighty God on their efforts, and inviting the cooperation of all citizens of the State who favor an honest, impartial and economical administration, do adopt the following declaration of their aims and principles:

1st. We recognize and will maintain the civil and political equality of all men as established by the Constitution of the United States and the Amendments thereto.

2d. We are in favor of the education of all the children of the State in public schools, sustained by adequate taxation, but we are opposed to extravagant or partisan administration of said schools.

3d. The selection only of honest, faithful, and competent men, for all offices from the highest to the lowest.

4th. Economy in the administration of the Government; the abolition of useless and unnecessary offices; and a reduction in the fees and salaries of those that are retained, and a strict and rigid accountability of all officers having the custody of public moneys, or charged with its collection.

5th. Biennial sessions of the Legislature, and a reduction in the expenses of that department of the government; and we denounce the Republican party of the State for their violated pledges on this subject.

6th. The selection of an able and competent judiciary, and a confining of the Judges to judicial functions purely, so that all temptation to partisanship on the bench shall be removed.

7th. A discontinuance of the enormous evil of special and local legislation, and in its stead the enactment of general laws under which local and private interests will be fully protected.

8th. The encouragement of agriculture, by securing the farmer and the laborer the just rewards of their toil and capital, and by relief from the burdensome taxation which now consumes their substance.

9th. The encouragement of manufactures in our midst.

10th. The elevation of the standard of official character, so as to infuse into official life a sense of public duty, the spirit of patriotism and integrity, to the end that government, law and public authority may be invested with the moral influence and dignity which will insure respect and obedience in our midst.

11th. We favor immediate action of the general government for the protection of the Mississippi river lowlands against inundation.

12th. The building up of partisan newspapers by legislation; the arming of the militia in time of peace, the unconstitutional attempt to take from the people the election of tax collectors, the attempted passage of the Metropolitan Police bill, the attempted corruption of the Judiciary by the use of Executive patronage, we denounce as gross outrages upon the constitutional liberty; while, as evidence of the utter incapacity of our present rulers, to administer the affairs of the State, we point to the mass of confusion in which the revenue and registration laws of the State have become involved; the necessity of extraordinary sessions of the Legislature to cure the blunders and follies of the regular sessions, and to the repeated Executive and legislative acts which have been, by the Supreme Court, declared unconstitutional and void.

13th. That we cordially invite the voters of all the people of both races, to unite vigorously with us in the approaching canvass in a determined effort to give success to the foregoing principles, and thus to secure to ourselves and our posterity, the blessings of an honest, economical government, administered by able, efficient and competent public officers.

ELECTION TICKETS.

Send us your orders for the printing of Election Tickets in time to have them thoroughly distributed at all the voting precincts. Write names of candidates plainly, and state how you wish the tickets forwarded—by mail or express. The Constitutional Amendments to be voted upon will be appended, as prepared by the State Executive Committee. Price of Tickets, \$4 per 1,000. We will prepay the express or postage. Send money with the order, addressed to this office.

Our Advertising Rates.

We ask the special attention of the business men of Jackson to our schedule of advertising rates for THE DAILY CLARION. They are exceedingly low, and must commend themselves to all who have any faith in printer's ink. The business season has now opened, and for the next few weeks THE CLARION will be extensively circulated in Jackson and elsewhere throughout the State. Send in your orders.

BRIDGE TO BE REBUILT.

SEALED PROPOSALS TO BUILD A TRUSS Bridge on the site of the old one, of 90 feet spans over the main stream, benches to be set on piles, and the truss-work on the east side of the stream to be in spans of 20 feet each. One and one-fourth round iron to be used in all bolts, of which there is supposed to be enough in the wreck. False caps to be used on the four main benches. Double bolts in foot of each brace. All sound flooring and timber of cypress, or heart pine may be used in rebuilding said bridge, except in the main spans, which must be all new and of long-leaved heart pine.

The bridge will be two feet higher at the east end than the old one, with an apron of thirty feet projecting over the turnpike to ascend to the level over the brick abutment. When this level will be maintained to the west bank of the river, which will bring the top of the cap sill eleven feet below the present top sill on the west bank. It will be seen by this that the bridge will be eleven feet lower than the old one, and on a perfect level from bank to turnpike.

These general items are given in order that bidders may know what the Board will consider.

Plans and specifications will accompany each bid, describing the size of timbers proposed to be used.

The lumber must all be sawed. All sealed bids accompanied with specifications will be received up to Tuesday, the second day of November, 1875, directed to Chancery Clerk, Jackson, Miss., and marked "Bids for Bridge over Pearl River."

The Board reserves the right to reject any or all specifications and bids.
